I'm reaching out on behalf of Versiti Blood Center of Wisconsin with an exciting opportunity for your church to make a profound impact on our community. By participating in blood donation, your church can directly support patients in need while fostering a spirit of generosity and service among your members. The recent surge in organ transplant procedures at our partner hospitals, combined with a significant number of appointment cancellations and no-shows, has left our blood inventory dangerously low. This shortage poses a serious threat to the health and safety of patients who rely on life-saving blood transfusions. It may lead to postponed surgeries, delayed critical treatments, and dire consequences for trauma victims, cancer patients, and mothers in labor.

We invite you and your congregation to donate blood at our **Greenfield Blood Donation Center** throughout **August and September**. The center is located at 7210 W. Edgerton Ave., Greenfield, WI 53220. **As a token of our appreciation, Versiti Blood Center will donate \$2 to your church for every member who donates blood during this period.**

To ensure your church receives credit for each donation, please ask your members to mention your church name in the appointment notes section when scheduling their appointments. This simple step allows us to recognize and appreciate the collective effort of your congregation.

Ready to make a difference? You can schedule appointments online using the following link: <https://tinyurl.com/GreenfieldDC>.

Thank you for considering this meaningful opportunity. We look forward to seeing you and your church members join us in the donation chair and make a lasting impact on our community. Please do not hesitate to reach out to me directly with any questions.

Warm regards,

Cassi Kasulke
