Thank you again to Olivia and Adam Fluder and their children for organizing a wonderful chili dinner and movie night last Saturday evening! We appreciate everyone who made chili, brought fix-ins, a dish or dessert to share! Everything was absolutely delicious! The movie was a big hit too!

The winner of the "Best Chili" goes to Jerry and Mary Kuhn! *Congratulations!*

The winner of the "Best Dessert" goes to Jackson Fluder for his strawberry cheesecake! *Congratulations!* And...special recognition for generously gifting your gift card to a someone else!

Mt. Meru Coffee Available for Purchase

Adoration has been supporting the Mt. Meru Coffee project for over 20 years. This provides fair market pricing to the coffee farmers in Tanzania. We do not make a profit on this and sell it at cost. The coffee is amazing! We have a good supply in stock, so start thinking about what you need at home, to bring to gatherings, to gift, etc. Place the money in an envelope and put it in the offering plate.

- The drip and flavored coffee are \$12.00 per bag
- Peaberry is \$18.00 per bag
- K-Cups are \$9.00 per box

Thanks! Sharon Anderson

Your continued donations to the food cart in the back of church have been greatly appreciated by the food pantry and those they continue to serve. Food insecurity has really impacted a lot of people in the past few months, and sadly it will remain an ongoing issue. So, keep the donations coming as outreach is a very important ministry here at Adoration Lutheran Church.

Service Opportunities

- Pray for politicians to seek peace and justice.
- Support those in need of food and shelter.

-Judy Goodwin

If you have any questions, please reach out to Judy Goodwin. Your donations are appreciated as we look forward to making this is a huge success!

“I have sometimes gotten the question of what to do with old, falling-apart Bibles. It feels disrespectful to just throw them away, so how can we dispose of them in a reverent manner? Two ways are suggested—to burn, releasing them into the air, or to bury in the ground.”
